Dear Ms. Bernaerts,

I am pleased to invite you to join a **private, high-level roundtable lunch discussion on AI and the Future of Work** on Friday, May 25, 2018, with remarks from [REDACTED], **Microsoft**.

Brad Smith and Harry Shum, Executive Vice President of Microsoft AI and Research Group, recently published the book, [The Future Computed: Artificial Intelligence and its role in society](#). As they reflect in the book's foreword, AI offers great potential to amplify human ingenuity. At the same time, there are challenges ahead, including fundamental questions on AI's impact on workers around the globe and how we can help people train for new skills. I hope you can join us to discuss these important topics.

The roundtable will be held on **Friday, May 25, 2018, from 12:15-13:45, at the Microsoft Center, Rue Montoyer 51, Brussels 1000.**

To RSVP, please contact [REDACTED] at [REDACTED]@microsoft.com or +32 [REDACTED]

by Tuesday, May 22.

Kind regards,
