**Information/allegations**

On the 27.06.2017 during rescue operations related to Sar events no. 1105-1084-1098, at 17:00 l.t. a crew member of Text Removed - Justification 5 started suffering of high blood pressure and gallblade. For this reason a mMEDEVAC was requested and Text Removed - Justification 5 took off from Malta and at 20:30 l.t. took the patient on board and eventually landed at base in Malta where a medical team was waiting and escorted the patient to the hospital.
