**Information/allegations**

Last Saturday 11/11/17 at around 12:00, Text removed - justification 5 and Text removed - justification 5 were involved in the recovery of a dead body NE of Lesbos Island. Moreover from Greek media it has been obtained that another 2 death bodies were recovered from the sea by HCG personnel since last Thursday. Again on Saturday 11/11/17, at 15:00, Text removed - justification 5 found Text removed - justification 6 an empty partly deflated rubber boat. It's not known yet if there is a possible link between both cases. So far HCG has no proofs that this case is related to any incident of irregular migration. Investigation ongoing.
