Subject: 3742747 RE: INVITATION to Keynote at the Microsoft Data Science & Law Forum | 27 September 2018 | Microsoft Center in Brussels

Dear [REDACTED],

Commissioner Moedas asked me to thank you for the kind invitation to attend the Microsoft Data Science & Law Forum on 27 September 2018 in Brussels

Regretfully, due to previous commitments in his agenda Mr. Moedas will not be available.

On behalf of Mr Moedas I would like to extend best wishes for a successful event.

Best regards,

European Commission

Cabinet of Carlos Moedas – Commissioner for Research, Science and Innovation

Subject: INVITATION to Keynote at the Microsoft Data Science & Law Forum | 27 September 2018 | Microsoft Center in Brussels

Dear Commissioner Moedas,

I am writing to ask whether you would grant us the honour of joining as keynote speaker the **Microsoft Data Science & Law Forum**, taking place on 27 September at the Microsoft Center in Brussels.

Microsoft Data Science & Law Forum

Thursday, September 27, 2018

Microsoft Center

Rue Montoyer 51, 1000 Brussels

The Data Science & Law Forum will contribute to the ongoing policy debate on Artificial Intelligence (AI) following the publication of the Commission's AI Strategy. As computational systems with one or more

abilities to perceive, learn, reason, and act in the world will blur the lines between human and machine, it will require a closer dialogue between data scientists, legal experts and other disciplines to develop new and adequate digital strategies and frameworks for society. We will seek to bring together the perspectives of experts from the academia, the industry, the European institutions and the civil society, on how we can collectively adopt responsible approaches to developing AI.

Your keynote speech would kick off the Forum at 9:00 and will be followed by a fireside chat with [REDACTED], Microsoft [REDACTED] and [REDACTED] of the Microsoft Research Lab in Cambridge, UK, on the relationship between AI, People and Society. Following your speech, there will be various panel sessions that delve into more specific legal and research aspects of AI and a networking dinner from 17:30 – 18:30.

You will find the formal invitation as well as the full agenda of the Data Science & Law Forum attached to this mail.

Thank you for considering this invitation and we hope that you can find time to participate. Please do not hesitate to contact us should you require any additional information or have any questions.

With best regards,

[REDACTED],
EU Government Affairs
