Dear Commissioner Malmström,

It is with pleasure that I have the opportunity to reach out you. The last time we have been in contact on the fight against terrorism , security and the fight against sexual child abuse some time ago, in your role as Commissioner for DG Home.

[REDACTED] Microsoft [REDACTED] will be in Brussels on 16<sup>th</sup> January 2017. We would be delighted to engage in a short conversation on the changes in the transatlantic relations and how we as part of the wider service/tech industry can be helpful, in view of TiSA and the wider issue of data transfers which is so important in our digital transformation.

We are aware of the fact that this is a Strasbourg week, so we hope that an early Monday morning meeting would be feasible.

I sincerely hope that your agenda would allow this meeting to take place.

Kind regards,

[REDACTED]
