Subject: Meeting with DIGITALEUROPE?

Hi Jon,

I hope this message finds you well?

I wonder if you would have some time soon (or back in September) for a meeting with DIGITALEUROPE members to discuss the latest news on the G20 in China, WTO and TiSA, and on the EU-Japan FTA ?

We would like also to get ready for next G20 and G7 meetings in Germany and in Italy next year as we heard that digital economy could be the main focus of the Presidencies.

Copying Nele in case she would be available to join us as well.

Also could you tell us who's responsible at the cabinet for the portfolio related to export control/dual use items?

Thanks so much!
