Dear Commissioner Malmström,

I am writing to request a meeting during my visit to Europe in early July. I would welcome the opportunity to discuss trade policy and in particular, the transatlantic data flows. As you may already know, Amazon is a major employer and investor in Europe. The company has invested over €20 billion in Europe since 2011 and has over 65,000 full-time employees. In addition, over 990,000 European companies and creative professionals are building their businesses with Amazon Marketplace, Amazon Web Services and Kindle Direct Publishing.

I would like to propose Monday 2nd, Tuesday 3rd or Wednesday 4th July 2018 and will be happy to liaise with your office to explore availabilities.

Please do not hesitate to contact my assistant Kathi Henriksen, (copied here) if you have any questions.

Yours sincerely,
