Studies (GIGA)

[REDACTED] Reuters in Berlin

Discussion

Between classical bilateral relations and the co-operation within existing international organisations – would it be useful and feasible to address specific issues of global governance in informal groups of interested countries? Could such groups develop political initiatives in areas like, for example, migration, energy policies ("Energiewende"), maritime security? Which other topics could be discussed, and do you consider Germany an appropriate partner for this kind of dialogue?

12.30 - 14.00 hrs

**Lunch at *Rotisserie Weingrün*
Gertraudenstraße 10-12
10178 Berlin-Mitte**
