fyi. the final version of what COM sent to the Hellenic authorities on the new facilities. In the cover letter COM underlines:

As raised in our last meeting, and as foreseen in Memorandum of Understanding, we underline the importance of closely involving the European Asylum Support Office (EASO) and the Fundamental Rights Agency (FRA), together with the Task Force, in the design of the new reception centres for Lesbos and Chios.

The next step should be a workshop.

Best regards,
