Subject: JHA Agencies Network Meeting 23-24 September - Draft agenda, documents

Dear all,

Please find enclosed the draft agenda and some supporting documents for the meeting next week.

Some points for your attention:

- We kindly remind you that the deadline for the input on the annual exchange on the Charter of Fundamental Rights is tomorrow.
- We will have a traditional Tour the Table on developments in the agencies. Please note that we are currently looking into the possibility of having a combined VC meeting with the CPs and the external relations officers in November-December. This would be a 2 hour information session with a Tour the Table to update on developments as regards external relations.
- We invited the SSO for the second session on 23 September: SSO will be represented by Ms [REDACTED], who will brief us on the work done by EUAN, in particular on the topic COVID-19.
- Some supporting documents are still missing. We strive to send them as soon as possible.
- To facilitate the discussions we very much welcome observations, ideas, questions etc. in writing before the meeting, for instance, on *Digitalization*.

If you have comments or questions on the agenda, please let us know.

Looking forward to seeing you all online next week.

Best regards,

From: [REDACTED]

Dear contact points of the JHAAN and observers,

I hope you all enjoyed your summer and that you are in good health.

A draft will be circulated next week but I can already announce the main topics:

- COVID-19 pandemic – state of play of the action list + follow up VC Meeting of 9 July
- Assessment of the JHAAN: discussion on the way forward
