Dear all,

In view of our meeting tomorrow, please take note of the following:

Document COVID 19 pandemic and interagency cooperation: [Redacted]

Joint paper: [Redacted]

VC meeting Heads of Agencies in July: [Redacted]

Joint press release or a news item: [Redacted]

Tomorrow I will give you all the floor for 3-4 minutes and would like to have your feedback on the points above. I will then try to summarize what was said and reopen the discussion for further questions. If you feel anything is missing and if you already have thoughts to share on these points, please feel free to do this already before the meeting.

The connection details I have still to receive. You should get them soon. In case you cannot connect, you mail me a telephone number on which our user support team can contact you. They will be able to connect you by phone to the meeting in which case you will not have the video. But let's hope you all can connect.

I wish you all a lovely evening. See you tomorrow!

Kind regards, [Redacted]
