JHA Agencies Network Meeting 24 September - Charter on Fundamental Rights - PPP +
Overview for dissemination

Attachments:

Results.docx; JHA_agencies_1st_Charter exchange.pptx

Dear all,

Please find enclosed the PPT of Gabriel and the overview with internal and external activities of the JHA agencies with regard to the Charter on Fundamental Rights.

As agreed, I will also suggest my colleagues from HR and the DPO of Eurojust to share the results of the first annual exchange with the Equality & Diversity group and the DPOs of the JHA agencies.

I will highlight that this is a provisional list of activities and processes collected in the preparation of the first informal exchange amongst the 9 JHA agencies which took place on 24 September 2020. The exchange implements point 5 of the JHA agencies Joint Statement on the implementation of the Charter of Fundamental Rights of the European Union of 12 November 2019.

The purpose of the list is neither to be exhaustive, nor to provide a comparison; its ambition is to provide examples that can inspire the agencies.

Kind regards,
