Subject: RE: joint statement of EIGE and FRA on COVID19 and gender-based violence

Dear [Redacted]

Thanks for sharing the statement. I have forwarded your request to our communication unit. I circulated yesterday the note on possible actions by the JHAAN regarding the COVID 19. You will see that your request fits perfectly with those suggestions.

I also asked our communication unit for re-tweet. In principle, that was done yesterday.

Kind regards, [Redacted]

Subject: joint statement of EIGE and FRA on COVID19 and gender-based violence

Dear all,

I am happy to share with you a fresh example of cooperation between JHA agencies- a joint EIGE-FRA statement on COVID19 and gender-based violence (You can find [here the link to the EIGE-FRA statement](#)). It has been published today on the websites of both FRA and EIGE.

Dear [Redacted]
Perhaps we could put a link to the statement on the JHAAN webpage on your website as well?

Best regards to everyone,
