The table is just to identify who will speak in both sessions and to have this confirmed. Plan is indeed first all speakers and afterwards the other agencies to react and after that the stakeholders to react. The order of interventions will be reflected in the revised agenda. I am also asking our stakeholders when they would like to intervene.  
I hope clear now.

A quick check on the order of interventions – looking at now at the table below.  
Did I understand correct that in a session first it is all “speaking agencies” and once those agencies finish with their interventions, other agencies reflect/comment/speak (no more than 3 mins).  
Is there an order of interventions listed?  
Thanks

**Subject:** ad hoc Meeting JHAAN CPs - 06.11.2020 - supporting documents

Dear all,  
In view of our meeting Friday, please find enclosed the **revised paper Concept Assessment JHAAN** (main changes highlighted).  
You will see that I have added a section 'preliminary observations' which summarises the views expressed during our meeting on 16 October. I think we could include these in the paper but I welcome your views on this. You are also kindly invited to have a look at the changes, including the 3 questionnaires. Ideally, we reach Friday an agreement on the text at working level. Please share your suggestions (in TC) prior to the meeting or at the meeting itself.

Further, the updated agenda for Friday:

1. Feedback Meeting Training Experts, 27.10.20 (Peter)
2. Draft concept Final Report (table of content) for approval (document to follow)
3. Revised paper **Concept Assessment JHAAN** for approval at working level and discussion on next steps
4. Preparations for the annual meeting, including the briefing note
5. State of play contributions joint products and feedback received re the toolboxes
6. AOB

Re point 4, I would like to ask for your assistance in informing me if your Head would like to intervene during the exchange of views. As indicated in the agenda, the LIBE representative, both the incumbent and future COSI Chair, the Council General Secretariat, the Commission, the EEAS and the other agencies are invited to respond to the presentations.

We will circulate a revised agenda 1 week before the meeting which will include the order of interventions. Please, inform me by 12 November at the latest.

Looking forward to seeing you all on Friday.  
Kind regards,
