Dear Colleagues,

We have received a similar to last year's PAD request (for those of you who remember) to release the below JHAAN documents:

1. *Summaries of the discussion of the Heads of JHA agencies meetings since 2018 (inclusive)*
2. *Multilateral JHA Agencies Scorecards since 2018 (inclusive)*
3. *Priorities of the network of JHA Agencies since 2018 (inclusive)*
4. *Final Reports of the JHA Agencies Network since 2018 (inclusive)*

Last year, as part of the PAD request consultation, we received green light from all of you to release the 2018 Final report (including the summaries of the discussion of the Heads and the Scorecard as part of the Final report) and the Priorities 2018 (both attached).

The current request includes:

- The 2018 documents (again)
- The 2019 Priorities (is the attached the final document? I couldn't find any update from Europol chair on eu-LISA's shared platform)
- The 2019 Final report (+ the Summaries of the discussion of the Heads as part of the final report)
- The 2019 Scorecard
- The 2020 Priorities

I would like to kindly ask you to assess the releasability of the attached JHAAN documents and **kindly provide us with an answer by 6 March the latest.**

I would be also grateful if could let me know in case you have received a similar PAD request.

Should you have any questions, please do not hesitate to contact me.

P.S. I look forward to meeting you all at the JHAAN meeting in March 😊

Thank you and best regards,
