**Subject: Invitation to a meeting of the EU JHA Agencies group on interoperability and the Central Repository for Reporting and Statistics**

Dear colleagues,

eu-LISA invites you to a meeting of the informal EU JHA Agencies group on interoperability. The meeting will focus specifically on the central repository for reporting and statistics (CRRS). The

eu-LISA **LIMITED BASIC**

meeting will take place on 9<sup>th</sup> (afternoon) and 10<sup>th</sup> (morning) of July 2019 at [REDACTED]

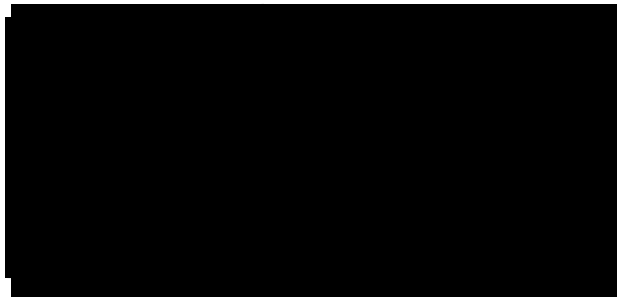

The meeting is intended as an opportunity for stakeholders to consolidate views from legislative and technological perspectives in order to provide input to development and implementation of CRRS. Amongst others, eu-LISA will provide development updates, elaborate further on a data catalogue that it has prepared to ensure community alignment on data availability in the CRRS and present its work on common data quality indicators. All participants will be encouraged to provide their input to ensure collaborative efforts going forward. The first day will consist of presentations and material review while the second day will be dedicated to discussions in a workshop format.

The meeting is meant as a follow-up to previous meetings of this group but with a wider community of representation given the need to work actively towards CRRS implementation with the impending entry into force of the interoperability legislation and the upcoming work on CRRS-related implementing acts.

The draft agenda is attached. The documents for discussion at the meeting will be shared in advance via e-mail.

We kindly invite you to confirm your availability to participate by **14<sup>th</sup> of June 2019** to the e-mail address [REDACTED]

[REDACTED] look forward seeing you on 9<sup>th</sup> and 10<sup>th</sup> of July 2019 in Tallinn.
