[Final Questionnaire on protecting victims of human trafficking \(Nov 2020\).docx](#)

Dear colleagues from the Agencies and the Commission,
As announced last week in the coordination meeting on THB of the EU Agencies, Eurojust is planning to organise a meeting (videoconference) on **9 June from 14:00 – 17:00** on the identification and protection of victims of human trafficking.
The meeting will discuss the results of the questionnaire (attached) on this topic chosen last year by the JHAA Network, under the chairmanship of Eurojust. Thank you very much for your contributions to this questionnaire. We have received inputs from all agencies, except from EMCDDA who opted out from this exercise.
The conclusions of the meeting aim to assist the drafting of a JHAA Network paper/report with an overview of agencies' support to victims of human trafficking. The paper can be then disseminated to the Member States to make them aware of the roles and victims' related actions undertaken by the JHA agencies in the implementation of their 2018 Joint Statement against THB.
I would like to remind you that the joint paper/reporting constitutes a key action of the EU Strategy against THB 2021-2025.
You are kindly invited to **save the date of 9 June** in your calendars.
In the following days, Eurojust will send you details about the meeting and Webex connection.
Looking forward to meeting you all!

Best regards,
